

# MEMBER ETIQUETTE

Whether this is your first time joining a club or you are a veteran gym-goer, please follow the Lindenhurst Health & Fitness Center etiquette guidelines to help make everyone's workout experience the best it can be.

## Appearance

Make sure you're dressed appropriately and safely for your workout. Be sure to wear appropriate footwear, including clean athletic gym shoes. Group exercise participants are required to wear shoes or sandals to and from classes.

## Hygiene

Be considerate of those around you and be sure to put on deodorant before your workout. Please don't load up on heavy perfumes or colognes—some scents can be offensive or may cause problems for those with asthma or allergies. Please do not spit on the track or in the water fountain.

## Machine Usage

Be respectful of others when using fitness equipment. There is a 30-minute limit on cardiovascular machines during busy times.

## Sharing Equipment

Someone may be waiting in line to use a machine, so please be mindful and offer to take turns using the equipment.

## Cleanliness

Although our Fitness Staff cleans regularly, please remember to wipe down your equipment with provided sanitary wipes. Clean the handles, the seat and the back - anything that you've touched. It is important to dispose of dirty towels in the bins provided in all exercise areas.

## Returning Workout Equipment

When you've finished using equipment such as dumbbells, stability balls and mats, put them back where they belong. This includes taking free weights off of bars and machines. Please do not drop or slam the weights.

## Cell Phones

Technology is not allowed in the locker rooms! This includes cell phones, laptops, and notepads, etc! The use of cell phones is prohibited in all locker rooms and all exercise areas including the track, and basketball court/gym. Please look for cell phone designated areas to utilize your phone.

## Club Hours

Be courteous of club hours and plan your workout accordingly. For example, when the club closes at 9:00 p.m., members must leave the facility by 9:00 p.m. Please be sure to exit through the main entrance of the facility.

## Noise

Please keep your voice and your music low so you do not disturb others.

## Underage Members

Members ages 13 or 14 that have completed our Youth Certification, must be accompanied by an adult or Personal Trainer while using the facility.

## Fitness Orientation

Remember to complete your Fitness Orientation as we want you to use the equipment properly in order to get the greatest benefit from your workout.

## Personal Trainers

Personal trainers are available for all fitness levels and during most times of the day. Please direct all fitness questions to the Fitness Floor Staff when Personal Trainers are working one-on-one with clients. Members are not allowed to bring in trainers who are not employed by Lindenhurst Health & Fitness Center.

## TRACK ETIQUETTE

Thank you for following the track etiquette guidelines listed below for the safety of all members.

- Inside lane is designated for walking and those who might need assistance by holding the railing.
- Outside lane is designated for running or passing slower walkers.
- When changing lanes on the track, be cautious of others around that might be going at a different speed than you.
- Pay attention to daily track direction. Signs are posted as you enter the track.
- Be observant and cautious when entering and exiting the track.
- Put away any equipment that you may use and do not attach anything to the railings.
- Jumping rope is allowed in our functional areas and basketball court/gym during open times.

## POOL/LAP POOL USAGE

Be respectful of other swimmers. Lap lanes will be reserved during posted aquatic classes and private swim lessons. Sharing lap lanes is encouraged and is a commonly accepted practice during peak hours. Please address the current swimmer when requesting to share a lane.
