Tuesday	3:30 - 5:30 p.m.
Friday	6:00 - 8:00 p.m.
Saturday	12:00 - 2:00 p.m.
Sunday	12:00 - 2:00 p.m.

 = The lap pool will be unavailable while group swim lessons are taking place Mon & Wed from 4:00 – 5:00pm and Saturday 10:30am – 12:00pm.

 = Classes highlighted in purple are held in the warm water therapy pool

Up to two lap lanes will be available during the Tuesday & Thursday 10:30am – 12pm group swim lessons.

During the first morning group exercise lap pool classes throughout the week, only one lap lane will be available for lap swim due to the large number of class participants.

AQUA FIT – This multi-level water workout is easy on the joints while providing the benefits of a mid-to-high intensity cardiovascular water workout. Some strength exercises may be included. Water shoes are recommended but not required.

AQUA FUSION – This class will provide a combination water workout. First Hour of class is held in the lap pool for a mid-high intensity cardio workout. Then head over to the warm water pool to stretch for the last 20 minutes to decrease muscle stiffness and increase flexibility.

ARTHRITIS WARM WATER WORKOUT – Arthritis classes and Arthritis/Fibro combo class: Exercises performed in the *warm water therapy pool* will help to increase joint range of motion and help to reduce pain and stiffness. Classes are held in 12-week sessions and are available to non-members for an additional fee. Register at the Front Desk.

DEEP CIRCUIT H2O – A powerful aquatic circuit workout held in the deep water portion of the lap pool which is 5 ft. Aquabelts and noodles will be used to keep you suspended in the water during your workout.

H2O BOOTCAMP – A high intensity water workout featuring interval training, longer cardio segments and equipment assisted strength exercises.

H2O DANCE PARTY – Join us for a fun, dance water workout to some of the hottest tunes from around the world.

H2O HIIT Training – High Intensity Interval training workout alternating cardio and resistance training segments for a challenging full body workout to increase strength and stamina.

WARM WATER TONE & STRETCH – Muscular endurance and strength exercises performed in the warm water therapy pool using various pieces of aquatic resistance equipment.

A special schedule will be posted for the 4th of July and Labor Day.

The pool will be closed for maintenance August 20 – September 2.

L Workouts on the lighter side

Classes labeled with a “L” next to the class name are great options for beginners and/or those looking for a non-impact, low intensity workout. **Ai Chi , Aqua Yoga, Yo Pi Chi, Water Walking, Aqua Tone**

AI CHI – Similar to Tai Chi and performed in the Warm Water Therapy pool. Learn to move through a flowing progression of slow, broad movements using your arms, legs and torso. Improve range of motion and mobility and experience deep relaxation to ease the mind.

AQUA TONE – Focus on using water equipment such as noodles, water barbells, and tubing to build muscular strength using the waters resistance. Water shoes are recommended.

WATER WALKING – Did you know 30 minutes of water walking equals to two hours of land walking? The water provides continuous resistance to every move you make, therefore, burning calories and building strength. Waters shoes recommended.

YOPICHI – A beneficial blend of Yoga, Pilates and Ai Chi to strengthen the core, increase joint range of motion and relax the mind. Class is held in the warm water therapy pool.

Pool Rules and Regulations
